

Dear New Hope Seminar Graduate,

We pray that all is well with you and trust you will be encouraged today to know how much we appreciated the opportunity to get to know you and fellowship with you during your attendance at a New Hope Seminar. Good friends are one of God's most precious gifts. We consider you a good friend of New Hope Ministry.

You could now help us bring joy and hope into the lives of others, (people just like you and I) who otherwise feel that their situation is hopeless. What does it mean to live without hope? It means you live with no expectation that anything good could ever happen to you.

*New hope* defines the purpose of New Hope Ministry. Every day that Seminars are being held, New Hope's Biblical materials are reaching people and giving them HOPE! The main goal for these Seminars, of course, is for individuals to know and experience the love of God in ways they've never imagined.

Since November 2003, New Hope Ministry & Counseling Center has held numerous Seminars with hundreds of participants here in our local area! What's even more of a joy is that the Seminars are not only being conducted in Centerville and the surrounding areas, but are now in various locations throughout country with other ministries using the New Hope materials.

As we serve the Lord as a team, we watch Him do great and mighty things. The ministry of New Hope has continued to grow as the Lord is pleased to honor the faithfulness of His people. In addition to our New Hope for Spiritual Growth Bible Study Series and Biblical Counseling materials, we also offer Prison Ministry materials, and Personal Workbooks. Along with the availability of several Ministry Kits and teaching tools through New Hope, comes the need for funding to maintain the Ministry's initiative to provide services that continue to grow in demand. Our desire has been to keep the cost of attending the Seminars as low as possible, as what is asked of the participants only covers the cost of their materials.

Our prayer and financial supporters have played a big part in making this mission and ministry possible—and the Lord alone knows how many people have been touched as a result. At the end of what is now a 16-week Seminar, one woman recently told us with tears in her eyes and her voice quivering, *"You guys picked me up off the ground, and put my armor back on me, and put my sword back in my hand."*

As New Hope continues to offer Seminars, the heart of this message is very personal to you. We are asking you to prayerfully consider supporting this Ministry's work by committing to becoming a monetary donor, if you have not already done so. The challenge put

before you is to, by faith, become a member of Gideon's 300 for New Hope. (Please see the enclosed flier for details.)

New Hope is preparing this letter with your needs in mind as well. We continue to pray that the Holy Spirit will direct and implant the Word of God deeper in your heart and mind. If you sign up to become a Gideon's 300 support member for New Hope, we will send you a complimentary copy of our *Prayers & Principles* booklet as our gift to you for your commitment to partner with us in New Hope's continued work. The staff of New Hope Ministry values every opportunity we have to encourage you to continue deepening your intimate relationship with your Heavenly Father.

Enclosed with this letter, you will find a Testimonial Brochure and other resources for you to keep. We pray you will be blessed to see how God is working to rescue individuals from bondage and that you will know how much God loves you. In addition, we are adding you to our Seminar Graduates Program created to follow-up with all of our past Seminar Participants, called "Warriors of the King," in which we will be sending you a quarterly packet with encouraging materials to help you continue to grow in your walk with the Lord and fulfill His plans and purposes for your life.

Thank you very much for all that you are doing to help New Hope Ministry share the Good News with others and to bring hope and healing to hurting people.

In His Service,

*The Staff of New Hope Ministry & Counseling Center*
