

Dear Seminar Graduate,

What a privilege it is to share with you the goodness of our Lord! My husband and I have entered a new season in our lives, as we are preparing to leave shortly for mission training in Texas. We are most grateful for the New Hope Seminar training that we have received and believe that God has a divine purpose in equipping us with it. We invite you to join this journey with us as we share entries from our personal journals in the New Hope's Quarterly Seminar packets, today and in the future. It is our hope that the lessons God is teaching us will be of encouragement to you in your own walk—and that God will be glorified in all things!

Enclosed is a condensed version of how God has led us to this point toward becoming missionaries. I am amazed at the lengths God will go to show His children His will for their lives, to encourage them, to show Himself mighty on their behalf. We serve an amazing, great God who absolutely loves to delight His children.

It is my prayer that your eyes will be open in a fresh new way to that which God longs to share with *you* personally. We are all on an incredible journey with God. Know that God has a specific plan for you, that is unlike anyone else's. Rejoice in Him! Stand fast in who you are in Christ and be confident that He will work out His plans and purpose for your life!

Philippians 1:6 (AMP) – “And I am convinced and sure of this very thing, that He Who began a good work in you will continue until the day of Jesus Christ [right up to the time of His return], developing [that good work] and perfecting and bringing it to full completion in you.”

Forever grateful to be His!

Cathy
