

Dear Friends,

What is a life worth? Because of New Hope, lives have literally been saved. Relationships have been restored. Lives have been transformed. Restored, transformed lives make a tremendous impact on society, which in turn affects all of us. We want to give you the opportunity to help sponsor this worthy cause.

New Hope Counseling Center has been operating and providing Biblical Counseling services as a **charity work** since January 2004. Our home office is located in Centerville, Iowa. Putting our Biblical Counseling Program into Ministry Kits has enabled people from all across the country to establish their own ministries using the New Hope materials. We are here to help those who are going through times of distress, and also to equip individuals, ministries, and organizations to help others. There are now 8 other **Counseling Organizations across the U.S. established from the New Hope pattern.** We provide Training Seminars and Workshops as well.

New Hope also publishes a Prison/Jail Ministry Program, a Bible Study Series, and Personal Workbooks based off of the New Hope Counseling materials, which are now **reaching and helping people all over the United States.**

NHCC is a 501 (c) (3) non-profit organization and our operating budget is based totally on the charitable contributions of businesses, groups and individuals. **All donations are tax-deductible.** We have over 75 Staff and Volunteers who are a part of this organization. Hundreds of people attend Seminars at our facility and throughout the State of Iowa. In addition to our Counseling Services and Seminars, we are also available for Teaching and Training Workshops at other locations, including out of state.

We believe a strong economy is basic to healthy communities and **promoting loyalty to our supporting businesses** is an important part of that. With the use of the Internet today, we are able to benefit and promote one another from long distance. If you, as a contributor, would like your business to be promoted by New Hope, please fill out the enclosed Sponsorship Card. Pages of our Sponsors, with name, address, logo, and message if desired, are included **in all of our New Hope materials,** Handbooks, and Volunteer training materials, which are ordered by people all over the country. This serves as a thank you to our Business Sponsors and a reminder to us and everyone connected with New Hope of your continued support and generosity. Your Sponsorship block will run **in every New Hope publication for an entire year.** Sponsors are also published in our Newsletter once a year, with a mailing list of over 800, **and displayed on our Website with a link to your own Website,** if you have one.

Your contribution, which is considered a charitable donation, would be so greatly appreciated and would be benefitting a very **worthy cause** that is helping many people and changing lives. Won't you please join with us as we provide much needed services and as we in turn promote your business? If you would like more detailed information about New Hope, please call me at 641-856-3326. I would be glad to visit with you concerning our mission and passion for helping hurting people.

Sincerely,

*Cindy Farrington*
